22 June 2021

Dear Parent/Carer

New Catering Provider

As of Monday 28th June 2021, our new school meal provider will be **Vertas EATS** and we are absolutely delighted to be working with them providing meals for our children.

Eats is one of the East of England's largest primary school food services. They believe that school catering should be an integral part of school life and learning for all pupils forming the foundation of lifelong good health. We have chosen them for the coming year as they have provided us with great menus and a keen contract.

Their menus are traditionally prepared and use a high proportion of locally produced food. They are proud that their menus meet the Food for Life Silver award criteria. They also work with schools to improve dining spaces to help lunchtime enjoyment, behaviour and improving the school's food culture.

Menus will be added to our school website and placed on Class Dojo. Please ensure that your child is aware of the new menu before the start date. If your child is on a specific dietary menu, please get in touch to make the necessary adjustments.

We hope your children enjoy the new lunch provision. Should you have any questions, please just ask.

Yours sincerely

Mrs Julia Shaw
Executive Head Teacher
