Sensible Clothing

In Goldcrest Class, please ensure that all clothing and footwear are easy to remove for PE. Velcro shoe fastenings are ideal. All children need a suitable bag with a drawstring top for their PE kit not a rucksack. This bag and all clothing, including footwear, must be clearly marked with the child's name. This saves much searching and frustration.

Shoes should be comfortable and safe. Children should not wear coloured sports trainers, but can change into them for playtimes in order to keep shoes/footwear in good condition. Flat ankle boots can be worn, but boots that are higher than the ankle can only be worn to and from school but are not suitable to be worn all day. Children can bring another pair of shoes to change into.
